As we come to the end of Term 3 I would like to thank the students, families and staff for their efforts and contributions throughout the term. As a school we have managed to perform, compete, engage and learn through a variety of experiences. We hope you have enjoyed watching and participating in the student’s experiences as much as we have enjoyed organizing them. I would like to thank Mrs Chapman for her efforts with 5/6 and wish her well with her teaching career. I will resume teaching 5/6 while Mrs McIntosh will support student learning and provide my Principal’s relief.

School will resume for all students on Tuesday 6th October. We hope you have an enjoyable break and are able to spend time with family and friends.

Our Kindergarten Orientation program will take place early next term. New students will receive their special invitation inviting them to join us on Tuesday 20th, Wednesday 21st or Thursday 22nd of October.

This morning I had the pleasure of attending Picton High School’s Year 12 Graduation Ceremony. As a Principal it is very rewarding to see past students of Yanderra achieving great results as they prepare for the next stage of their learning journey.
Tomorrow will see students in K/1/2 become little Pirates. I am sure they will enjoy the fun activities that are planned for them. Let's hope they come home with some special treasure.

On Tuesday Year 6 peer support leaders presented their last lesson to fellow students. This has been a valuable experience for leaders in developing their skills and strategies of working with younger students. I have been impressed with the growth and maturity displayed by most leaders.

Congratulations to Lilly, Jason, Daniel, Victoria, Maria and Tianna on receiving your Principal’s Award. Congratulations to Kobe, Kallan, Mikayla I and Amarli on achieving your Silver Award. Congratulations to Charlotte G, Luke J, Zoe and Amelia Ga on achieving your Gold Award. It is encouraging to see so many students being Respectful, being Safe and being a Learner. Our respectful trophy winners for this fortnight have been Kallan and Tian-na.

NRMA Science and Road Safety Day
On Friday 30th October the NRMA roadshow 'Ute' will be touring our school. Students from Kindergarten to Year 6 will be involved in workshops and activities that will promote road safety. Students are asked to bring their bike helmets to school. Parents are invited to attend the day so please place this day in your diary and come along and enjoy the day.
More information will be sent home next term.

Tell Them from Me
Parents now have the opportunity to comment on student wellbeing and help improve the learning outcomes of students. The parent survey can be completed at home on your own device or if required on a school’s computer. The more responses we get the better the feedback data. You can access the survey by logging on to: nsw.tellthemfromme.com
Username = parent18349 and Password = Yan3537 Please support the school by completing this survey.
Canteen News
Our canteen opens each Monday and Friday with the support of a small group of parents and grandparents. If you can help on any canteen day please add your name to the roster. A roster for Term 4 is available.

P&C News
Our next family pub night will be held on 16th October. Please put this in your diary and make it a family fun night. The last family night raised $195.00 for school resources.

Our last P&C meeting was well attended with Parents having the opportunity to discuss promoting green food, the year 6 farewell and ideas for Term 4 fundraising. We will once again have an end of year raffle and will soon begin asking businesses for donations. If any parents can help with this it would be much appreciated. Thank you to families who supported our Father’s Day Stall and to the parents and grandparents who assisted students with their shopping. We were able to raise $156.65 for the school. The new fairy garden will be a great addition to the playground and once established will be a fun place for students.

Our next meeting will be held in October date will be advised. Please come along and have your say. Everyone is most welcome.
